Barber Motorsports Park Proving Ground

Multipurpose Facilities / Modern Classrooms / Proving Ground with Wet/Dry Skid Pad / Off Road Course / Obstacle Course

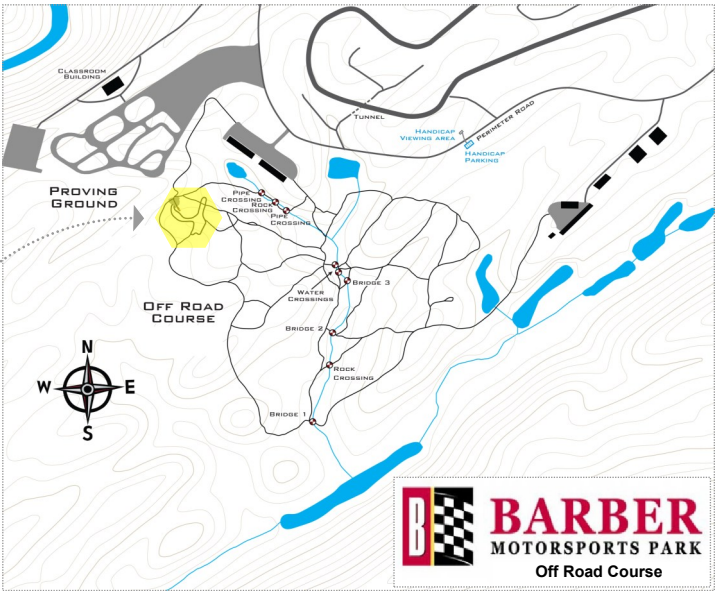

The 880-acre Barber Motorsports Park is *the ultimate motorsports destination*. In addition to being home to the Barber Vintage Motorsports Museum, Barber Motorsports Park is where you'll see some of the country's most renown races such as the Honda Indy Grand Prix of Alabama and professional motorcycle racing events. The park is the home of the Porsche Sport Driving School, and Mercedes-Benz and other major manufacturers use the Barber Proving Ground throughout the year. A preferred caterer is located onsite, and all of our facility rentals are managed by an outstanding and experienced staff.
